

Excited to unveil My HR Attrition Dashboard using Excel

I'm thrilled to share my latest HR Attrition Dashboard, showcasing key metrics such as Employee ID, Age, Gender, Department, Job Role, Years of Service, Performance Rating, Satisfaction Score, Salary, and Attrition.

This comprehensive dashboard provides invaluable insights into workforce dynamics, enabling me to track attrition rates, identify trends, and make data-driven decisions to enhance employee retention.

A special shoutout to my facilitator, Anietie Etuk, whose guidance and support have been instrumental in the development of this dashboard. Your expertise and mentorship have truly empowered me to leverage data analytics for HR excellence.

Let's continue to harness the power of data to create a thriving workplace culture and drive organizational success!
